| 8. | MINUTES OF THE PARISH COUNCIL MEETING OF 17TH APRIL 2018: The minutes were agreed as a true record, and were signed as a true record. There were no matters arising not covered in the agenda. | |
| 9. | COUNTY COUNCIL AFFAIRS: Cllr Topping attended the meeting and gave this report: <i>County report for May 2018 to Fowlmere Parish Council</i> <i>Cllr Peter Topping</i> <i>Very local issues</i> <i>I have forwarded to the county council footpaths team the information that Peter Burge has sent me regarding the footpath that now has a gate on it.</i> | |

I have chased but not had a response regarding the community orchard proposals for leasing the land from the county to the parish council. I will keep pushing this. The surveyor who was off sick is now back at work.

I met with the headteacher and chair of governors and expressed my concerns on the back of that meeting to the education director. I am told by Sarah that the county education dept is being a little more helpful. I need to have a catch-up with Sarah and Philip on next steps.

I have chased Evan Laughlin re the replacement of the posts along Long Lane. I haven't been down there to see if they are fixed.

A10 closure and diversions. I have had a meeting with the county officer (Mr Webb) who allocates signs and diversions and explained the concerns to him and he has gone away to look at his maps and see if a better route can be achieved.

I was very pleased to be invited to attend the 50th anniversary celebrations of Thriplow Daffodil weekend.

Planning – Grainstore *I attended the planning committee and spoke against the proposals on the grounds that there were too many houses for the Thriplow site. I was told by the officers that because of their concerns over a potential judicial review, I was to confine my opinion to the Thriplow matters and not the wider Grainstore issue, however I was pleased that the proposals overall were rejected by the planning committee with one exception.*

Roads *I have met with the highways department manager and driven around the village with him spotting problems including a significant one at the war memorial. To be honest, the return of winter in late March meant that the pothole filling was behind schedule, but the county must do better at getting roads to a reasonable standard. I am monitoring the filling in of holes that have been reported and chasing the oldest and worst ones.*

Travellers *You may have seen the travellers who have set up along the A505 near the Pet Crematorium.*

I am continuing to push the council and the police to act – as you know, because the land is privately owned, there are limits on what can be done if the landowners choose to allow this to continue. The land is owned by at least two and possible three people. I wrote to the police last week again and met council officers yesterday.

Although the Order has a "return restriction" of three (3) months the travellers - following a further eviction from Duxford - re-occupied the land. Unfortunately, this was possible because the landowners had failed to secure their land.

There are now two options to remove the travellers:

- a. As re-occupation of the land is a criminal offence this now becomes a police matter. and having written to the police last week I am asking the Chief Constable what action he is going to take. I have set out all the issues and concerns expressed locally and put it to the police that they have the powers to act on the grounds of community safety.*
- b. The council is applying to the Magistrates Court for a further summons to evict the travellers.*

With regard to the Breach of the High Court Injunction the district council lawyers are starting proceedings within the High Court as the owners of the land are in contempt of Court which if found guilty may result in them going to prison, fined or having their assets seized.

The council is also acting under the Environmental Protection Act 1990 section 80 in order to issue an abatement notice in regard to fly tipping and its prevention by means of a Gating Order. I am urging the council to do this quickly to prevent a return.

|------------|---|--|
| | <p>Road junctions - One of the concerns for local residents in Fowlmere is access onto the A505 and road safety. I have been pressing the county council to consider how to make road junctions safer, especially where small turn-off roads run from very busy A road. There are safety interventions that can reduce the risks, and some of these below may be suitable for a discussion between the parish council and the county highways department, although funding for these proposals is not a given.</p> <ul style="list-style-type: none"> • Removal of foliage at all highway junctions • Removal of foliage in advance of all directional signs • Replacement of all directional and advanced direction signs, including increasing sign text sizes • Replacement of large diameter posts with a passively safe type, to reduce the risk of injury • Surface dressing of sections to improve skid resistance. • Renewal and rationalisation of white lines and road studs. • Introduction of textured edge lines at specific high risk locations • Widening of the hard edge (section of road beyond the edge line) at one location where regular edge overrun has been identified. • Re-cutting of grips (channels in the verge to drain water). <p>If you need to contact me, please use my email peterwwtopping@gmail.com or call 07825 876582.</p> <p>Peter</p> <p>Cllr Roberts suggested that Fowlmere Parish Council writes to the chief of police and chief constable regarding the traveller issue, Cllr Topping agreed this would help. Cllr Roberts and Cllr Wragg to draft a letter and send to Clerk.</p> <p>Cllr Vinton mentioned that fly tipping should be reported to the landowners, as they are going to be issued with a summons for allowing fly tipping.</p> <p>Cllr Topping told the council that the County Council are now open for bids for Local Highway Improvement funding; the submission deadline for applications is Tuesday 31st July 2018. Cllr Topping said that involving the school will increase the chance of success. Cllr Roberts said that parents and children in Fowlmere are concerned about the crossing near the war memorial. Cllr Mulholland said that crossing near Jacksons Way also needs some traffic calming measures. Various options were considered. Mrs Keppey will advise the council as to who may be able to assist in coming up with a plan.</p> <p>Cllr Roberts, Cllr Sunderland and Cllr Mulholland expressed concerns about the height of grass on the verges towards A10.</p> <p>Cllr Roberts thanked Cllr Topping for his report and for attending the meeting. Cllr Topping left the meeting.</p> | <p>Cllr Roberts / Cllr Wragg / Clerk</p> |
| <p>10.</p> | <p>DISTRICT COUNCIL UPDATE:</p> <p>Cllr Roberts</p> <p>Following elections, the Liberal Democrats now have control of the district council with 30 councillors, Conservatives with 11 and Labour and Independent's both with 2 councillors. Cllr Roberts has been asked to be on the following committees: planning, licensing and scrutiny, and a Tory councillor has been asked to be Chair of Scrutiny, so the council is quite balanced.</p> <p>Thriplow, Foxton and Fowlmere worked together to oppose the Grain Store application which was refused, and was a great success for the parishes. Fowlmere PC has indicated that they will contribute to the fee for the lawyer (Philip Kratz) who helped in the appeal.</p> <p>Travellers have recently been settling on various sites around the Pet Crematorium despite an injunction; some have relocated further along the A505 towards McDonalds. The amount of mess being left is of concern. However, the police are unable to act because it is private land. Any land that belongs to the parish should be secured with locked gates and with photographic evidence of this. Cllr Mulholland offered to photograph the locked gate at the cemetery and Cllr Burge will photograph the locked gates at the Butts.</p> <p>Cllr Howe suggested we contact Mr Abelwhite about this.</p> | <p>Cllr Mulholland / Cllr Burge</p> |

|-----|---|--|
| 11. | <p>ANNUAL VILLAGE MEETING A) REVIEWING POINTS ARISING FROM THE MEETING None were discussed.</p> <p>B) REVIEWING PROCEDURES ASSOCIATED WITH THE MEETING Cllr Roberts said that it was disappointing that the Annual Village Meeting was so poorly attended (there were 6 FPC members, 2 invited speakers and 4 others). Other neighbouring villages (Heydon and the Chisels) have had many more people attending, perhaps 40. It was suggested that a glass of wine may have encouraged attendance. In future, FPC should advertise the event more widely. This year it was advertised in the Fowlmere and Thriplow Newsletter and on the FPC website but not the FPC Facebook. Other suggestions included holding future AV meetings in the Village Hall, or the school. All to consider how to get more people to attend.</p> <p>The meeting was opened for questions from members of the public and press. Dorothy Woods said she is concerned about travellers possibly settling at the Village Hall. Mrs Woods has had a quote for work to fence in the fields of nearly £2,000, which the Village Hall cannot afford. Mrs Keppey suggested that gated height restriction barriers fitted to the entrance and exit might be another possible solution to discourage travellers from coming onto the Village Hall site. Dorothy Woods asked if there is any progress on the land registry work. Cllr Burge advised that this has not progressed with the recent change of clerk. The meeting was then closed to members of the public and press.</p> | All to note |
| 12. | <p>VILLAGE HALL A) OUTDOOR GYM EQUIPMENT Cllr Burge, Cllr Mulholland went to see the equipment at Chishill Village Hall on 6 May 2018 at 10:00. Mrs Woods also visited. All were impressed with what they saw. Locations for the equipment was considered: the Village Hall is suitable, the Butts was considered not to be suitable, and the Green at Savile Way was also considered or at least a trail at Savile Way might be suitable. Cllr Roberts proposed that a working party should progress this project and report back. Cllr Burge, Cllr Mulholland, Cllr Wragg and Cllr Bearpark will proceed with some ideas lead by Cllr Burge.</p> <p>B) DOG BINS SCDC quoted £388.10+VAT per bin. Glasdon bins are £103.82 per bin with installation quoted at £126.18. The Cllr Burge proposed that FPC will purchase both bins from Glasdon and the Village Hall will pay for installation of both bins. All agreed. Clerk to order the 2 bins. When they arrive, Dorothy will arrange for installation.</p> | Cllr Burge, Cllr Mulholland, Cllr Wragg & Cllr Bearpark Clerk / DW |
| 13. | <p>MEMORIAL TREE POLICY It was agreed that a Burial Board Meeting should be held to further discuss the updated Memorial Tree policy – see Section 14.</p> | |
| 14. | <p>BURIAL BOARD A) BENCH WORK Cllr Mulholland met with Dave Salmons to discuss work on the bench. Dave Salmons quoted £100 to pressure wash the bench, steam and then varnish it. Cllrs all agreed to go ahead with the work.</p> | Cllr Mulholland |

|-----|--|--|
| | <p>B) MEMORIAL STONES</p> <p>Cllr Roberts advised Mrs Keppey to come back to the Parish Council when she has a new design for her parents' headstone. Mrs Keppey asked if she could apply to put the ashes of both parents in together. Cllr Roberts advised her that she could.</p> <p>C) TIDY UP DATE</p> <p>The chapel needs tidying, and there are a number of other larger jobs. The fire pit area needs clearing, also planting along the hedge line is required (to be done in November). The entrance way trees need cutting back, also a job for the autumn. Patches need reseeding also in the autumn. Cllr Mulholland suggested that the iron fence might need to be removed completely. He also suggested that a BB meeting should be arranged for mid-summer and be held in the Chapel. The date of 13 June at 7.00pm was agreed for the BB meeting.</p> | |
