

# Support for local businesses during the Coronavirus crisis

## South Cambridgeshire District Council

As part of the Council's Covid-19 response, we are trying to urgently to organise support for businesses in the district who are struggling during this difficult period. We want to ensure that we can put in place, as quickly as possible, appropriate support to help businesses through the next few months, and fill the gaps around the central government support offer where we can.

We encourage any businesses – sole traders, home-based businesses, community enterprises and charities including CICs – to flag themselves to us by emailing [greatercambridge.business@cambridgeshire.gov.uk](mailto:greatercambridge.business@cambridgeshire.gov.uk)

Additionally, information for businesses is being updated frequently on the Coronavirus section of our website at

Fowlmere's new County Councillor, Peter McDonald, has been designated as the Council's contact for help to small and medium-sized businesses. You can contact Cllr McDonald at:
