I have completed the survey myself, which takes quite a bit of time if you think as slowly as I do. It seems to be full of motherhood and apple pie. Conspicuously there is no price tag. I should be interested to know what you think.

Footpath Stile

For several months the County's Rights of Way and Access team have been dealing with a report that a stile has been placed on Fowlmere's Footpath 1. Having discussed the problem with the landowner and explained to him that the County only allows kissing gates an application has now been received for a stile. The application has the support of the Parish Council.

As a result of the Disability Discrimination Act 2005 the County Council is required to carry out reasonable adjustments to the highway network to make it more accessible to the less able user. That is incorporated within the Cambridgeshire County Council Rights of way Improvement Plan. The County Council is now obliged to remove any unauthorised stiles, but where possible is offering free kissing gates to replace them.

The Department for Food and Rural Affairs has also issued guidance to landowners to install kissing gates. Because of this the County intends to decline the application and in the near future will seek to remove the stiles.

Broadband

The County has now received over 7,000 registrations from people who would like superfast broadband in their villages. This apparently represents a good number, though from chats I've had with people it seems pretty clear that many have still not registered. It would be very helpful if the parish council could continue to publicise the Connecting Cambridgeshire website, where people and businesses can register. It is:

<http://www.connectingcambridgeshire.co.uk>

Minor Highway Improvements

We have now completed this year's task of allocating the £50,000 which the County has offered to build minor highway improvements in South Cambridgeshire. Most of the improvements involve speed limit reductions and better signage.

Next year's process should be better handled and is expected to start in September. We have given up the mechanistic process of scoring criteria because it was weighted heavily in favour of main roads and safety. That meant that desirable improvements on less used roads never stood a chance. Our discussions were nevertheless thorough and the decision process can be robustly defended.

There is no limit to the amount a parish council can contribute to a Minor Highway Improvement proposal and you might like to start thinking already about anything you would like to have part funded by the County. The exact criteria in terms of amounts available per scheme and obligatory percentage contribution from parishes have yet to be decided.

Cllr Stone has asked which ones have been de-commissioned.</p>

The Parish Council have no objections and support this application as it is in no way going to be detrimental to the house or the surrounding area.

3. S/0731/12/FL

Erection of Car Port

Perks Close, 4 Chapel Lane, Fowlmere, SG8 7SA

Mr Mike Maddin

The Parish Council support this application as long as it maintains the present entrance as the PC would not want any of the hedge removed as the house has a protected frontage. The PC would also want a condition to say that it cannot be used as overflow accommodation for the main house.

4. S/0594/FL/12

Erection of single storey dwelling and associated works

Land to r/o 80-86 Chapel Lane, Fowlmere, SG8 7SD

Mr Stewart McGinty

The Parish Council are still objecting to this application as it has not satisfied any of the concerns which have been addressed in the previous planning feedback. It has only *apparently* sorted out one of the objections (glass lantern) and the PC would like to see a proper *full* set of plans to make a decision on, not one document, which is not annotated. The Clerk to contact Matthew Hare at SCDC to ask for a full set of documents and to say this is a waste of time for councillors and residents - Cllr Roberts is at SCDC on Thursday and could pick up the documentation if necessary in order to have an additional planning meeting on 29th May. The PC's objections are therefore still outstanding.

Mrs Fletcher of Ryecroft Way was concerned about the allocation of car parking spaces because a previous application had been refused for 5 dwellings (because they were outside of the village envelope) but this is only for one dwelling so the parking shouldn't be a consideration.

Other Matters and Updates *(for information only)*

An additional meeting will need to be held as an additional planning application has been received. next Tuesday 29th May at St Marys at 7:30pm.

The meeting closed at 7:35pm

MINUTES OF A MEETING OF FOWLMERE PARISH COUNCIL PLANNING COMMITTEE HELD IN THE DOROTHY PLUCK ROOM, ST MARY'S CHURCH, FOWLMERE ON TUESDAY 29TH MAY 2012 AT 7:30PM

PRESENT: Cllr D Roberts (Chairman), Cllr J Bottrill, Cllr P Flynn, Cllr E O'Regan, Cllr J Peacock, Cllr N Webb, Cllr L Wragg and Mrs J Wright (Clerk)

APOLOGIES: There were apologies from Cllr Bearpark and Cllr Sunderland. Cllr Flynn had to leave the meeting at 8:10pm

IN ATTENDANCE: Several members of the public

1. Declarations of interest *(if any)*

Before discussion, Cllr Roberts declared that if an application is later placed before South Cambridgeshire District Council she will approach any new information afresh.

2. S/0594/FL/12

Erection of single storey dwelling and associated works

Land to r/o 80-86 Chapel Lane, Fowlmere, SG8 7SD

Mr Stewart McGinty

The Parish Council has reviewed the application and the plans submitted, and is pleased to see the removal of the lantern and a small reduction in the height of the building compared with the earlier application. However the PC still feels that this building needs to be moved into a position where it is not overlooking and dominating the other neighbouring properties. If it were moved to the position of the present outbuildings on the site (next to the East boundary) this would provide an effective solution - it would still retain everything that the application appears to want and would result in the garden being back to back with the present gardens. This would be greatly beneficial to both the present and prospective residents.

It is unacceptable to suggest that neighbouring properties should have the height of their fences raised which will certainly have a very claustrophobic and overbearing effect. This is not a solution and will diminish the quality of life for present residents, which is wholly unreasonable.

The proposed building is extremely large in relation to the size of the plot. It is also significantly larger than the footprint of the existing neighbouring dwellings. The PC would find this application easier to approve if the overall footprint were made smaller, which would be more appropriate for the site and the context of the neighbouring dwellings.

Unless the proposed building is moved back and becomes less oppressive to the

neighbouring dwellings, Fowlmere Parish Council will oppose the application. In addition, the access to the area behind containing a Scheduled Ancient Monument (Crow's Parlour) must be shown clearly and it must be a condition of any eventual planning consent that access to this site is entirely satisfactory. On the basis of the plans submitted to it, the Parish Council opposes this application. If Fowlmere Parish Council's view is contrary to the SCDC officers' recommendations, the PC will ask for a site visit by the SCDC Planning Committee and that the application should go to the SCDC full planning committee for decision.

3. S/0866/12/FL

Proposed conversion of building (B1 use) to poultry, pet and equestrian store (A1 Use)

Deans Farm, Long Lane, Fowlmere, Royston, SG8 7TG

Mr and Mrs T Dean

Cllr Roberts declared a personal interest as she lives close to the applicant, further up the same road, but she does not socialise with, or overlook or hear anything from the applicant's site, so it is not a prejudicial interest.

Cllr Roberts reported that this application has already been seen by the SCDC Planning Committee and was spoken strongly against by members of that committee, voicing concerns that it would set a precedent for others as it is outside the village envelope and is against SCDC planning policy, including the fact that the majority of goods must be produced on the farm (hay is not believed to be grown locally in Fowlmere). Cllr Wragg said the application is completely contrary to established planning policy and this supersedes other arguments. Mr Deans said there are hay and straw fields in the village and that there is also only one business proposed here and not several and the changes in the sourcing of hay are only applicable if the conditions change.

Cllr Webb commented that her family use the wholesale business in its present form.

Cllrs were asked to vote for or against the application: There were 4 votes in favour of recommending refusal, 2 abstentions and 0 votes for approval. If the Parish Council's view of refusal is contrary to that of SCDC, Fowlmere PC would wish the application go to the full SCDC Planning Committee, although no site visit would be needed as this has already occurred in respect of the previous application.

The Parish Council feels that there is no change to this application, when compared to the previous application (S/2521/11) which the SCDC Planning Committee refused when it was considered in February. It would be extremely detrimental to set a precedent by approving this application because it is clearly against SCDC Planning Policy and is outside the village envelope.

5. Other Matters and Updates

Other Matters and Updates (*for information only*)

a) Re-siting of the Post Box from the shop

	<p>It was agreed that the proposed site for moving the post-box from the shop to the edge of The Butts, opposite the school was acceptable.</p> <p>b) Retrospective application re stiles on footpath, views sought. The PC have no objections to this retrospective proposal re the footpath from Fowlmere to Foxton.</p> <p>Cllr Roberts updated the PC that the travellers had moved to the Thriplow Triangle field, which is private land, owned by the Wilkinson family. The Clerk has passed on the details needed for the Bailiff and they have negotiated a stay until the Wednesday after the Bank Holiday, as CCC have asked for that, to avoid a village's celebrations for the jubilee being spoilt. The meeting closed at 9:00pm</p> <p style="text-align: center;">*****</p> <p>The minutes were duly agreed and signed.</p> <p>Cllr Roberts updated on the land at the rear of 80-86 Chapel Lane. SCDC won't refuse this application but it will go to full Planning Committee with a site visit. Matt Hare at SCDC has asked the applicant to move the building, as he knows the PC are not in principal opposed, other than on the location - it will go to the 4th July SCDC Meeting. Mr Mulholland will speak at the meeting on behalf of the residents. It would be good for Vice-Chair of PC or Planning could attend to speak on behalf of the PC.</p> <p>The Meeting was then opened and closed to members of the public</p>	Cllr Wragg and Cllr Peacock
7.	<p>BURIAL BOARD: There were no issues re the cemetery.</p>	
8.	<p>TREES, GRASS AND HEDGES: a) TRAVELLERS This item had been previously discussed.</p> <p>b) BC TRUST - MOAT The PC need an update from Mr Bates as they need to work out the finances and the BC Trust are keen to take on the work again. Clerk to ask Mr Bates to update us of find out who we approach.</p> <p>The trees at the mouth of Johns Close do need cutting back off the road, all the way along Ryecroft Lane. Clerk to ask Chris Wall for advice.</p> <p>Cllr Roberts viewed the area along the boundary of the Green in Savile Way. This does not need maintaining at present. They are not causing an obstruction - the PC will look again in the autumn.</p> <p>Cllr Flynn reported that there is a dead tree on the Green by Savile Way - Clerk to ask Chris Wall's advice.</p>	Clerk Clerk Clerk
9.	<p>FINANCE AND GENERAL PURPOSES: The Clerk reported that there were a couple of pieces needed to repair play equipment but this will go formally via the Finance meeting.</p> <p>The Clerk to send grant funding information from Ameycespa to Cllr Wragg and Cllr O'Regan -</p>	Clerk Clerk

	the PC needs to move quickly to apply within the timescale.	
10.	<p>CORRESPONDENCE</p> <p>Cllr Roberts spoke about the two complaints about the PC not providing enough entertainment over the jubilee celebrations, or decorating the war memorial or providing funding for celebrations. Decorating the war memorial with bunting would be disrespectful and in answer to the other complaints about the lack of events, the PC asked for ideas and volunteers and none were forthcoming. Despite this, the PC organised the best dressed house and the winners have been awarded their prizes and it will be reported in the Fowlmere news. Clerk to formally thank Rev Linda Church for judging the competition.</p> <p>Cllrs were asked to think of any nominations for the Pride and Local Heroes Awards run by SCDC.</p>	<p>Clerk</p> <p>All Cllrs</p>
11.	<p>ACTION LIST UPDATE:</p> <p>The Action List was updated accordingly.</p> <p>Cllr Bottrill and Cllr Flynn attended the jubilee celebrations at Burghley House, near Stamford, which was very enjoyable, despite some wet weather. Cllr Bottrill to share photos on the PC web-site.</p>	Cllr Bottrill
12.	<p>OTHER MATTERS:</p> <p>a) MR BATES TREE DEDICATION</p> <p>This is planned for 5pm on Sunday 24th June, at The Butts, Cllr Flynn sends her apologies. Cllr Bottrill to take photos.</p> <p>Cllr Roberts reported that the Queen's Head has had some of its planning application approved but not all, the Conservation Officer is objecting to the movement of a doorway. These will come back to the PC as a planning amendment.</p> <p>Mrs Flynn has requested a Seniorlink pendant. The PC agreed to proceed with this request. The Clerk to process.</p> <p>Cllr Roberts reported very briefly on a SCDC complaint, concerning a previous planning application. The Clerk has been sent copies of all correspondence.</p> <p>The meeting closed at 9:00pm</p>	<p>Cllr Bottrill</p> <p>Clerk</p>
